"We've already been
in almost all the hotels ...
we feel at home !!"

Dear PortoBay Prestige Club member,

I take great pleasure in presenting you the Prestige Package 2017, a year when I hope to have the pleasure of your company again at PortoBay. In Madeira, the Algarve or Lisbon, make the most of the exclusive benefits set aside for our Prestige Club friends and members.

Lisbon is an exciting city !! This is why our latest 4 and 5 star hotels - PortoBay Marquês and PortoBay Liberdade - invite you on a pleasant stay to explore the city, which is even better when combined with a visit to the island of Madeira or the Algarve. Take advantage of the many flights from the Portuguese capital and the special conditions we have to offer.

For that, I am very pleased that airline TAP Portugal has created the TAP STOPOVER product, which gives the opportunity to travel to two places for the price of one.

Year after year, we have received enthusiastic recognition from our guests and partners. I admit I am truly honoured to run the Portuguese hotel group that has received the most awards internationally. This is also why we are seeing such high demand. For this reason, I suggest you book your next stay early, in order to get your desired dates.

We would be honoured to once again count on your presence with us !!

see you soon . . .
