WELLNESS & SPA

Mandalay Spa takes its name from the last royal capital of Burma, founded in 1847 by King Mindon as a centre of Buddhism learning.

Inspired by traditions that date back centuries, the philosophy of Mandalay Spa is inherently rooted in Southeastern Asia healing wisdoms. We have created treatments that use the intuitive touch of our experienced therapists, based on Indian Ayurvedic Medicine and Royal Thai healing heritages.

Traditional remedies blended with a profoundly therapeutic touch provides authentic spa experiences to unwind, uplift your spirit and achieve emotional happiness.

We believe that balance is the key for a happy life, so at Mandalay Spa we are devoted to help you undertake the journey to reach inner peace.

Relax as you wish and find yourself.

SUNDĀRI

SUNDĀRI takes a holistic and earthly approach to beauty and well-being based on the ancient healing wisdom of Ayurveda.

We go back to nature and use traditional healing remedies to allow the mind, body and spirit to gain balance in a world of stress and challenges. SUNDĀRI enables you to reconnect with your inner self and encompass our core philosophy: 'being well inside, reads beautiful on the outside'.

Ayurveda is acknowledged as the oldest medical science, originating from India and is focussed on the balance of three doshas: Vata, Pitta and Kapha for optimum health. The philosophy of balance is woven through the entire SUNDĀRI experience.

Each ritual begins with an Ayurvedic consultation during which our therapists will adapt the treatment most suited to your Dosha.

Drawing on centuries of Asian wisdom, Ytsara (meaning 'freedom' in Thai) believes that we need to train the mind and body to relax in order to identify the need to disengage from fast life. It's once we slow down, breathe and live in the moment that we find the answers to balance, connection and care.

Ytsara uses 100% natural products and Thai therapies to cleanse the energetic channels of the body and deliver total well-being. Ancient wisdom from Chiang Mai is used to unlock the energy flow and is the perfect add-on to more known and traditional Thai massage techniques, to deliver an effective therapeutic effect.
