

PRESTIGE PACKAGE 2021

free cancellation . payment during your stay . . .

Dear PortoBay Prestige Club member,

First, let me say that it is a pleasure to be back in touch with you. The PortoBay team has mobilized itself in an extraordinary way to ensure that you have a pleasant stay, doing everything possible to make you feel safe while you are with us. We have reopened the PortoBay hotels at every location !!

Here is your 2021 Prestige Package for our hotels in Portugal : Madeira, Algarve, Lisbon and Porto. This exclusive product has been extremely popular with our guests, being a good way to book holidays with accommodation, transfers, meals and other special treats.

For 2021, we have added even more value :

- > this year, exceptionally, there are no rate increases over 2020 package rates.
- > the early booking deadline has been adjusted.
- > there are even more benefits for longer stays.

These actions reinforce the Prestige Package convenience and freedom together with the conditions of payment only during your stay and free cancellation up until your arrival date.

In terms of safety, we have prepared our teams at every hotel for this new situation through training, adjusting procedures and implementing our “Together We Care” protocol, currently undergoing certification by the auditor SGS, a world leader in inspection, verification, testing and certification.

In short, we are doing everything we can for you to enjoy the hospitable, tranquil destinations of Portugal and our famous award-winning hotels. We are committed to welcoming you for yet another pleasant stay.

see you soon !!

TOGETHER

we care

It is the PortoBay Group's top priority to protect and ensure the safety and well-being of our guests, customers and team.

We have created our "Together We Care" protocol – this is a representative adaptation of leading regional, national and international health directives, and coincides with our ever present mission at PortoBay : to provide a memorable experience for each and all our guests.

*“ a trust
commitment !! ”*

health and safety protocol

reinforced procedures

This protocol develops detailed back of house and front of house procedures, with specific measures for each area of the hotel: reception, rooms, common areas, restaurants, spa and swimming pools, etc. You can consult the “Together We Care” protocol at www.portobay.com.

SGS certifies PortoBay protocol

Besides our full commitment to the guidelines issued by national and international health authorities, for which all our hotels have received the Clean & Safe seal, we have contracted an external audit by the world-renowned SGS to make our teams even more robust.

PortoBay more digital

We are offering more digital alternatives for guests to communicate with the hotel. We have been able to reduce a number of physical transactions and shorten waiting times at reception. Online check-in, digital menus and invoices, express check-out, contactless payment and whatsapp at the hotel during your stay ... but always with our team ready to assist.

the best beaches in europe

300 days of sun per year

With an average of more than 300 days of sunshine per year, winter in the Algarve is more like spring. The temperature rarely drops below 10°C and sunglasses always come in handy.

surrounding nature

gastronomy

The Algarve has taken advantage of its privileged location and extensive coastline to make fish and seafood the highlight of its cuisine. Delight your palate with a taste of the sea !!

golf

The Algarve has about 40 golf courses in prime natural environments with some good challenges for players. That is why it was elected by IAGTO as the best golf destination in the world.

PRAÇA DO COMÉRCIO
Lisbon

LISBON

Lisbon is fado, history, cuisine, cosmopolitan, hospitality and light ... a light that impresses those that visit and brings the city's architecture alive.

We are really looking forward to welcoming you.

light

There are nearly 300 days of sunshine every year !! Lisbon has long, hot summers, delightfully mild springs and autumns, and temperatures that rarely fall below 15°C. This ranks it among the cities with the best climates in Europe.

history

Lisbon is a city full of history and life. Its streets, viewpoints, façades, monuments ... always harbour secrets waiting to be discovered. You can travel the city in many different ways: on foot, by tram, by tuk-tuk, on a bicycle or with a boat trip on the Tagus River.

avenida da liberdade

The city's classiest avenue, Avenida da Liberdade extends along beautiful Portuguese pavements, flanked by trees and rest areas. Here you will find the most famous upmarket shops and delightful pavement cafés with flavours for every palate, sometimes accompanied by live music.

gastronomy

Discovering Lisbon with your taste buds is an excellent idea !! Some of Europe's most renowned chefs make true culinary masterpieces in the city. But for the experience to be complete, the traditional taverns are also well worth a visit. Green bean fritters, salt cod "à Brás", codfish fritters, clams "à Bulhão Pato" and veal "à Café" are dishes not to be missed !!

fado

Declared Intangible Cultural Heritage of Humanity by UNESCO, fado is not only the song of Portugal, but now a true treasure of the world. A visit to Lisbon is never complete without enjoying a good night of fado !! We guarantee that emotions will run high, and that the first chord will give you goosebumps ...

PORTO

The historic streets, the gastronomy, the wine, the hospitality,
the hand-painted tile facades, the River Quay, the bridges, the Douro, the night life,
the delicacies and the longing for more ... are what make us return to “embrace” Porto.
This is a must-see city for visitors to Portugal.

RIO DOURO
porto

invincible city !!

Find out more about the destination
on our blog www.inportobay.com

hospitality

Northern Portugal is known for its hospitality and friendly way of receiving visitors, who will always find a smile and someone ready to help with whatever is needed.

douro

The Douro River crosses the region. Embark on a trip aboard a traditional Rabelo boat to experience the city's beauty and the landscapes of this region classified as World Heritage by UNESCO.

ribeira

The Ribeira riverfront is the heart of Porto. From here the boats depart. From here you can see the Port wine houses in Gaia. From here the Douro winds its way down the valley which its wine made famous, towards Foz and the sea. Looking up and downriver, you can see the bridges that bring both riverbanks together. There are six in total, each with its own history . .

architecture

The city of Porto is also known for a heritage combining ancient churches and monuments, such as Porto Cathedral or the Church of Saint Francis, and majestic palatial façades in the heart of the city, with striking contemporary buildings such as the Casa da Música concert hall, Serralves Museum and others.

port wine

No visit to the city is complete without getting to know the history of Port. A number of historical wine cellars run guided tours and tasting sessions, especially in the district of Gaia. Cross over the bridge D. Luis I and treat yourself to the taste of this noble wine.
