Dear Prestige members,

It is with great pleasure that we present the Prestige Package 2024. This package has been extremely popular with our regular guests and is the ideal way to book holidays with accommodation, transfers, meals and other special treats. Our team is increasingly more well-prepared to support you throughout the booking process.

In Portugal, the climate is milder than in the rest of Europe. That is why in autumn/winter we welcome a greater number of Prestige members looking for a destination with a pleasant, peaceful climate, that is full of flavour and tradition and, above all, hospitable. It has also been interesting to see that, with the growing hybrid nature of travel, many of our guests have already realised the possibility of making an itinerary between PortoBay hotels in different Portuguese destinations, combining visits to the cities of Lisbon and Porto with a break in the Algarve or Madeira.

After extensive renovations in most of our hotels, PortoBay is now preparing to consolidate the growth and diversification of the hotel offer in the Algarve and Madeira. We have also been innovating in the culinary choices we offer. This year, to the concept of sustainable haute cuisine and the consolidation of the Bistrô and II Basilico sub-brands, we added Avista Asia and Horta, experiences that are being well received by our community.

And it is these experiences that we invite you to enjoy when you book the Prestige Package, as we have introduced more flexibility by giving you the possibility of opting for a meal credit to be used during your stay. In Madeira, this credit can be used in any bar or restaurant at the hotels of this destination, in a choice of 20 restaurants and bars.

Take advantage of our special conditions for "early booking", "bring a friend" and "long stays", with free cancellation and payment only on arrival. I hope to be able to count on your visit soon. We have a team committed to welcoming you back for yet another enjoyable stay.

see you soon!!
