## PORTOBAY SANTA MARIA

Located in the very heart of the historic centre of Funchal, in the well-known "Old Town", close to Rua de Santa Maria, one the city's oldest streets. Right next door is Forte de São Tiago, an imposing fortress built during the Spanish occupation at the beginning of the XVIIIth century. In front the sea and Funchal's cruise liner port.

Proximity to Funchal's downtown area makes for easy access to a range of museums, historic buildings and contact with the culture of the local inhabitants.
