Dear Prestige Member,

We deeply appreciate the recognition of the PortoBay brand, which continues to be embraced by guests who return year after year to our hotels in Lisbon, Porto, Algarve, Madeira, and even Brazil. That's why we remain highly focused on enhancing the guest experience and strengthening the interaction with our teams, expanding our communication channels.

In 2025, the major highlight was the opening of our newest hotel: the four-star superior PortoBay Blue Ocean, in the Algarve, following an ambitious product upgrade. The hotel is already open, and we are thrilled with the feedback from our guests—many of whom are repeat visitors from the PortoBay universe. This new hotel is located next to PortoBay Fálésia, connected by extensive gardens. We've created a true resort here: Vila PortoBay Algarve, boasting 700 meters of beach-front and over 70,000 m² of land, including 35,000 m² of gardens—allowing guests to enjoy facilities from both hotels and enrich their dining experience.

Similar to what we already offer in Madeira, you can now also enjoy the Prestige Package flexibly in the Algarve, opting for credit that can be used at any of the restaurants in both hotels—offering a greater variety of dining options during your stay.

This year, we also suggest combining a visit to Porto and Lisbon to explore the urban heart of Portugal. Choose from our four hotels, enjoy your Prestige discounts on accommodation, and benefit from the upgrade and meal offers.

We also recommend registering for and visiting the PortoBay APP, which has recently been updated. If you have already booked directly with us, you can explore all hotel facilities, prepare your check-in, browse menus from the various restaurants, check schedules and activities, and message our team directly through the app. You'll also have access to your Prestige account details.

Our entire team is looking forward to welcoming you back for another pleasant stay.

see you soon!

ALGARVE

The sun, hospitality, beaches, golf, castles, red cliffs, little fishing villages, the wealth of fish and fresh sea food are all compelling reasons for our visitors.

AMONG THE BEST BEACHES IN THE WORLD...

Elected by the World Travel Awards as "World's Best Beach Destination", the Algarve is a beach holiday destination per excellence, thanks to the climate and conditions of a 200 km coastline, full of coves, cliffs, caves and sandy beaches.

300 DAYS OF SUN PER YEAR...

With an average of more than 300 days of sunshine per year, winter in the Algarve is more like spring. The temperature rarely drops below 10°C and sunglasses always come in handy.

ALGARVE BY BIKE...

Explore the Algarve in contact with nature... cycle through the Ria Formosa Natural Park or through the Serra de Monchique, taking advantage of the many sunny days that the Algarve offers throughout the year.

GASTRONOMY...

The Algarve has taken advantage of its privileged location and extensive coastline to make fish and seafood the highlight of its cuisine. Delight your palate with a taste of the sea!

GOLF...

The Algarve has about 40 golf courses in prime natural environments with some good challenges for players. That is why it was elected several times by IAGTO as the best golf destination in the world.

A SEA OF SPORTS...

In the Algarve, different water activities are practiced, namely diving, surfing, water skiing and sailing. Those who prefer peace, can always opt for one of the boat trips.
