

PORTOBAY SERRA GOLF | PortoBay Hotels & Resorts

The small charm hotel **PortoBay Serra Golf** was acquired by PortoBay Hotels & Resorts in 2012, having been refurbished before its opening in March 2012. Next to the Santo da Serra Golf Course, the PortoBay Serra Golf is a boutique hotel with stylish decoration, surrounded by nature and Madeiran traditions. The four-star hotel boasts 21 rooms and is in the **small town of Santo da Serra**.

The main house, dating from 1920, restored in 1999, and listed as a regional heritage building, has a renovated **lounge** area at the entrance. The lounge, with traditional Madeira furniture, is a relaxing place where drinks or afternoon tea with famous home-made scones are served by the fireplace. The **'Avó Micas' restaurant** has a breakfast service with home-made specialties and offers a food menu which includes traditional recipes.

Some moments of relaxation are provided in the **games and reading room, gymnasium, library and film/CD library**, the latter containing a collection of DVDs and CDs for use in the rooms. The area with a **heated, covered swimming pool, sauna and massage room** makes relaxing easy after an active day out surrounded by nature.

The **18 standard rooms** were redecorated, ensuring the comfort that is PortoBay hallmark. Comfortable beds with mattress toppers, duvet, heating, DVD, mini-bar, Ipod docking station, coffee and tea facilities, bathrobes and bathrooms with Rituals brand products.

The **2 superior rooms and the Suite** in the main house with the same facilities mentioned, are done out in the characteristic style of Madeiran country estates, offering a unique atmosphere which is welcoming and tasteful. It should be added that the suite, with direct access to the gardens, boasts two bedrooms, a lounge with fireplace, two bathrooms, kitchenette and three televisions.

Being aware that **nature** is the main reason why tourists come to Madeira, PortoBay intends to make a connection with the experience of nature by offering a stay in a rural area, thereby adding to the range of hotels that the group has in the city of Funchal. Clients staying at the PortoBay Serra Golf enjoy free access to all public areas, including swimming pools and other facilities at the Vila Porto Mare Resort, whose gardens represent one of the most interesting examples of the island of Madeira's diversity of flora.

A programme of various activities can be tailored from the hotel, such as walks along country paths and waterways, bicycle rides, horse riding, among other activities. The close proximity of the hotel to the Santo da Serra Golf Course means that stays combined with playing golf can be organized.
