PORTO MARE

With an innovative concept, the Vila Porto Mare Resort in Funchal offers facilities common to three outlets – Suite Hotel Eden Mar, Porto Mare and The Residence. The identity of each outlet is guaranteed by means of separate receptions and distinct room/apartment types.

The Porto Mare hotel occupies the central wing of the Vila Porto Mare Resort. A wide variety of appealing atmospheres and quiet corners ... the rooms combine views over the ocean with large areas of tropical gardens. This hotel is located in one of Funchal's main tourist areas, very close to restaurants, bars, supermarkets, stores and shopping centres.
